

# ON-DEMAND PARENT WEBINAR PACKAGE LICENSE TERMS

Thank you for purchasing the On-Demand Parent Webinar Package from Robyn Gobbel, LLC / Baffling Behavior Training Institute (BBTI). By purchasing this package, your organization agrees to the following terms.

## **License Period**

Your two-year license begins on the date the final webinar in the package is delivered, currently anticipated in November 2026. BBTI will notify your organization of the official start date at that time. Upon expiration, you will have the option to renew your license for an additional two years. BBTI will be in touch prior to expiration with renewal details.

## **Permitted Use**

Your license covers your entire organization — all sites, locations, and staff operating under your organizational umbrella. You may share the webinar content and accompanying resources with as many of your clients, families, and staff as you serve. All materials must be stored in a secure, password-protected location accessible only to those individuals.

## **Attribution**

All materials must be attributed to Robyn Gobbel / Baffling Behavior Training Institute when distributed or displayed. Materials may not be modified, edited, or presented as your organization's own content. Robyn Gobbel, LLC retains all copyright and ownership of all content.

# ON-DEMAND PARENT WEBINAR PACKAGE LICENSE TERMS

## **Restrictions**

- Materials may not be shared publicly or with individuals outside your organization
- Materials may not be sold, repackaged, or used in any way that generates income or revenue

## **Expiration**

Upon expiration of the license, your organization agrees to delete all downloaded materials unless a renewal agreement is in place.

## **Refund Policy**

All sales are final. In the event that unreleased webinars are not delivered within a reasonable timeframe, BBTI will work with your organization to reach a fair resolution.

## **Technical Support**

BBTI will provide instructions for accessing and navigating the platform. Technical support for downloading, storing, or distributing materials within your organization is the responsibility of your organization's own tech team.

## **Governing Law**

This agreement is governed by the laws of the State of Michigan.
